

First Project & Learning Space

Jonathan Hunt

October 2024

1 My first section in LaTeX

1.1 Hello World!

- Integrals:

$$\int_a^b f(x)dx$$

$$\sum F = ma \tag{1}$$

$$\lim_{h \rightarrow 0} \left(\frac{f(x+h) + f(x)}{h} \right) \tag{2}$$

$$\tag{3}$$

- Math Formulae:

$$\lim_{n \rightarrow \infty} \left(1 + \frac{1}{n} \right)^n = e$$
